Dear Graduate:

The Executive of the M.E.S. Alumnae in Toronto thought it would be nice to plan a social affair to entertain those members who are in the city for Xmas. Vacation to participate in the Refresher Course or just visiting friends. It will enable you to see old friends and new without much effort on your part. We ourselves, are quite enthusiastic about the idea of all graduates getting together while we are all in the holiday spirit, and we hope that you, whether in town or out of town, will share this enthusiasm and support our efforts.

We decided it would take the form of a bridge and entertainment on the last night of the Refresher Course, Thursday, Dec. 29th, at 8.30 p.m., and will be held (as far as we know now) in the lovely new residence at 99 St. George St. You are welcome to bring any of your friends you wish.
